

MEETING OF ENERGY PROFESSIONAL SKILLS (MEnS)
NEARLY ZERO ENERGY BUILDING RETROFIT
PROFESSIONAL TRAINING SHORT COURSE
Brunel University London
4-8 July 2016
-CALL FOR APPLICANTS-

The MEnS Consortium, <http://www.mens-nzeb.eu/> invites you to join the second postgraduate level training short course in the UK, free to eligible applicants.

The following key topics will be covered with a focus on housing:

- ✓ European and UK policies and regulations towards Nearly Zero Energy Buildings (NZEB)
- ✓ Design tools for achieving NZEB retrofit. Introduction to modelling tools and guidelines.
- ✓ Thermal performance and energy consumption analysis of existing case-studies.
- ✓ Materials for retrofit and building fabric energy performance.
- ✓ Energy systems and renewable technologies for retrofit solutions.
- ✓ Management and financial issues necessary for a shift to NZEB design.

Attendance and successful completion of associated coursework is worth 20 postgraduate UK university credits (10 ECTS).

How to apply

Please complete and send by email the Expression of Interest Form available through hyperlink [here](#) and in hard copy at the back of this page by 31 May 2016.

Eligible applicants will be sent an online link for the full University Application process, which is required in order to have full access to the Library and be assessed as part of the short course.

For further inquiries please email: maria.kolokotroni@brunel.ac.uk
